

Infant Personal Care Information

Please describe your baby's diapering schedule and procedure (include any special products used regularly):

Please describe your baby's napping schedule and routines. Include any special products/items used regularly during nap time (blankets, pacifiers, stuffed toys, music, etc.):

Please describe your baby's feeding schedule for both liquid and solid foods (if applicable). Include approximate times, amounts and types of food given (formula, breast milk, milk, juice, water, fruits, vegetables, table food, etc.):

Please describe your baby's temperament/personality and preferences for toys, foods, and activities:

What soothes or calms your baby most successfully? _____

Please describe any other special care instructions that would help us understand and serve you and your baby to the best of our ability:

Does your baby spend time with both parents? _____ Yes _____ No

If you are separated, how often does your baby see the non-custodial parent? _____

For families with special visiting (custody) arrangements, please answer the following questions:

What are the custody/visiting arrangements? _____

If there is special court directed visitation, Celebration Childcare Center needs to have copies of any documentation in order to follow the directed visitation.
